DATE: February 17, 2009

RE: REQUEST TO OPEN DOCKET FOR RENEWABLE TRANSMISSION
DOCKET NO. E-00000A-09-_____

In Decision No. 70635, dated December 11, 2008, the Commission ordered Commission-regulated utilities to "develop plans to identify future renewable transmission projects and develop plans and propose funding mechanisms to construct the top three renewable transmission projects." To facilitate proceedings on these matters, I am requesting that a generic docket be opened and that it be entitled: "In the Matter of the Commission's Generic Docket for Information Gathering Concerning Renewable Transmission Issues Identified in the Fifth Biennial Transmission Assessment Final Order as Required in Decision No. 70635."
